PPC Meeting Summary

April 24/19

The focus of the PPC meeting was a discussion on ways in which we, as a parish community, can make our worship centers more inviting, especially for young people and young families. Many valid suggestions were discussed, including the idea of involving the youth in a drama for one of the Sunday readings. Committees will be formed to initiate the plans.

The council has decided to initiate a parochial mass schedule involving our 3 churches. The incentive of this initiative is to foster a sense of community in the parish. All parishioners in the parish are invited to attend mass at a specific church on a predetermined date. The mass will be followed by a light lunch and a time of fellowship. Mass will still be held at the other worship site on the day scheduled below. (More details will follow.)

PAROCHIAL MASS SCHEDULE - SAVE THE DATE!

JUNE 16 - St Thomas, 1 pm

JULY 28 - St Simon and Jude, 11 am

AUGUST 11 - Shrine Sunday, Skiff Lake

SEPTEMBER 29 - St Gertrude, 9 am

OCTOBER 27 - St. Simon and Jude, 11 am

Haiti Medical Trip to Three Angels Children's Relief

Thank you to everyone who has supported us in raising funds and supplies for our medical trip to Three, Angels Haiti.

Due to ongoing unrest and threats of violent protests in the capital, our flights have been cancelled again, and we are planning to rebook for September, when hopefully it will be safer. All funds collected will be kept and spent appropriately when we do travel.

We collected enough suitcases and bags to transport our supplies, but we will start collecting more supplies again nearer the time of travel.....

In the meantime, I would like to draw your attention to our Three Angels poster at the back of the church, with information on how to support the charity on a regular basis, by sponsoring an orphan or a school child.

This organisation is very financially responsible, with all money raised going directly to the children's needs, with minimal overhead.

Please consider supporting Three Angels, Thank you.
